July 15, 2004

10:00 am - 12:30 pm

Cecil County Administrative Building

107 North Street, Elkton, MD

10:00 Introductions

10:10 Site Fact Sheets/EPA webpage

10:15 GIS update

- aerial photography
- data input update from all site managers
- new sites - locations and data
- overcoming barriers

*Would like to add 3 more ...
ionics, viacon, and UMR*

10:45 Update on Site work/planned site activities (all site managers should be prepared to present and bring maps of new sampling activities)

11:30 Plans for Site Reuse (open discussion on interest expressed for reuse/redevelopment of any target sites)

12:00 Community Involvement - next steps?

12:15 Source Water Assessment Plan for the area (EPA Drinking Water program)

12:30 Wrap up, next steps, action items

After the meeting, we will have lunch and then take a driving tour of the project area and target sites. **Please RSVP** to Kristeen Gaffney (215-814-2092 or gaffney.kristeen@epa.gov) **by July 9** if you want to join us for lunch and/or the site tour.

Directions to the Cecil County Administrative Building

From I-95, take Exit #109 for Elkton. Exit onto Route 279. At second traffic light (approx 3 miles), turn left onto North Street. Follow North Street over the bridge into downtown Elkton. The County Admin building is located on the right side of the street, just before the third traffic light (a T intersection). You can park behind the building.

*just after the Cecil County Bank
parking is behind*
